INTOLERANCE TESTS.

## ABOUT US

Sue is an MSc level practitioner and has studied pre-clinical medicine and has BSc/ MSc degrees in both Physiology (2:1 Bristol university) and Health Management (Warwick Business School).

We want your health and wellbeing to be the priority in your life and we will support you to understand your results and empower you with information you need to improve your health. If necessary we will also write to your GP, or if preferable refer you into one of the local private hospitals.
